**TO:** Honorable Mayor and Members of the Village Council

**RE:** Standard Rules for Committees

### RECOMMENDATION

It is recommended that the Council consider a uniform set of guidelines for committees. In 1992, the Council approved two documents which regulate committees. One document contains rules and the other guidelines (see attached). Neither document addresses absenteeism, whether individuals can serve on multiple committees, and a specific date to submit progress reports.

Presently there are three (3) Committees and another about to be appointed. Staff suggests there should be uniform rules. It is difficult for committees to regulate themselves and candidates for appointments do not know the requirements of serving on committees. A consistent set of rules provides a clear understanding of the Village's requirements.

This memorandum presents several options for consideration by the Council. Once the Council decides on the approach, staff will draft a resolution for consideration at a future meeting.

### EXPLANATION

On December 8, 1992, the Village Council approved the two documents entitled "Guidelines for Committees of the Village of Key Biscayne" and "Rules for Committees of the Village of Key Biscayne". In some instances the Guidelines and Rules are not consistent. Neither of these documents address, absenteeism specifically state reporting dates to Council, or if a resident can serve on multiple committees.

Both documents refer to Standing Committees which have a continuing existence and Special Committees which sunset when their work is completed. Presently, the Council has created the following Committees:

- a. Two Standing Committees: the Art in Public Places Board and the Community Center Committee.

- b. Two Special Committees: the Crandon Boulevard Streetscape Master Plan Committee and the Noise Ordinance Review Committee.

The Art in Public Places Board has adopted its own Bylaws. One of the bylaws provides for the removal of a member if he/she is absent from three (3) meetings in one year. The removal is subject to a vote of the Board. The Crandon Boulevard Streetscape Committee and the Noise Ordinance Review Committee have adopted their own attendance rules which state if a member is absent from three (3) meetings they are subject to automatic removal. There is one non-resident who holds an executive position in a major corporation in the Village. This person serves on two committees.

Staff requests that the Council direct the Administration to prepare a resolution which address the following subjects. Staff has provided several options for each of the policies:

Policy	Options
1. Two documents: Rules for Guidelines	1. Maintain two documents that govern Committees. 2. Merge each of the documents as Rules.
2. Creation of Committees	1. Motion. 2. Resolution. 3. Ordinance.
3. Absenteeism	1. No regulation. 2. Three absences in 12 months. 3. Automatic removal if absent from 3 meetings. 4. Removal by a vote of the committee. 5. Committee recommendation for removal-final decision by Council.
4. Filling of vacancies	1. All vacancies on Standing and Special Committees filled by the Mayor with consent of Council. 2. Since Special Committees serve for a limited duration, the Committee by a majority vote may only request that a vacancy be filled.
5. Serving on multiple committees at one time	1. No prohibition on serving on multiple committees. 2. One Committee at a time.
6. Annual Progress Report. Current Guideline requires regular reports, but a date to submit a progress report is not stated.	1. No reporting date. 2. Standing Committees must provide the Council with an Annual Progress Report at the first meeting in December. Special Committees must provide the Council with a report at the conclusion of their work or at the first Council meeting in December, whichever is earlier.
7. Residency in Village. Current Guideline refers to residents only.	1. Any resident who lives in the Village for any duration of time. 2. Registered voter in the Village. 3. Residents who have their primary mailing address in the Village. 4. Individuals who have their primary place of work in the Village. 5. All or any combination of the above.
